

MAXimize your protection with a Max uteliner

from Tuff Tonneaus

Does your truck bed take a pounding with sharp equipment and heavy loads?

Do you make shopping at your local home centre a weekend event?

Do you fill your truck with dirt, bricks, shrubs and other heavy material?

The Max uteliner is the answer to protect your new or used ute.

- No drill
- Chrome tie down hooks*
- Simple to install
- Made from almost indestructible polyethylene
- Contains board holder slots – secures load

*not in all models
