

Luggage Carriers

Roof Top Boxes

Carver Luggage Box Range

The Rhino Carver is the ideal car roof top box, offering lots of space, central locking and a patented mounting system. These Luggage Carriers are made of extremely strong & ultra-light materials.

A quick mounting system makes it easy to fit these Luggage Carriers on your roof and remove them again in seconds.

A Rhino Carver is safe, solid and combines styling and aerodynamics in a balanced design. This Luggage Carrier is also a genuine all-rounder that's great for carrying snowboards and skis or camping equipment.

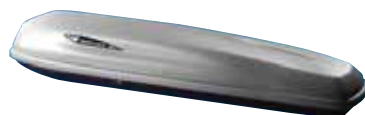

Roady Luggage Box

The Rhino Roady is the ideal car roof top luggage box, offering lots of space and key locking.

The Rhino Roady is made of extremely strong & ultra-light materials which are resistant both to shock and to ultra-violet rays.

The revolutionary click-system makes it very easy both to assemble the Roady and to take it apart again. Once taken apart, the lid can neatly be fitted into the base of the box for easy storage.

Close and lock: The Rhino Roady is fitted with an extremely practical locking mechanism: just close the lid and the box is immediately locked and the contents secure.
